# SCR LEARNING SEMINARS - A REVIEW OF HISTORIC SEXUAL ABUSE

## BACKGROUND

Between September 2013 and November 2014, the City and Hackney Safeguarding Children Board conducted a Serious Case Review (SCR) about the sexual abuse of a number of children by two men. One was an approved foster carer, the other a member of his family. The abuse of foster children is known to have taken place between 1999 and 2008.

To share the learning arising from this review, the CHSCB will be presenting a summary of the findings to the multi-agency network across a series of seminars. The seminars are suitable for all staff.

## OUTCOMES

These seminars will:

- Provide you with an overview of the case
- Analyse the professional practice
- Share the key findings and the key lessons for improved multi-agency practice
