This summary captures the main discussion points and decisions made at the 26 September 2022 City Board meeting.

The minutes of the previous meeting held on 26 May 2022 were approved as an accurate record. There were no outstanding actions.

There were minor amendments made to the Risk Register. There was a discussion on the retention of green risks on the register. It was agreed that the Executive would make a decision on the management of green risks.

The Business Plan was noted by the Board. There were no queries raised against the item.

Written partner updates were noted for information. There was a discussion on the partner update procedure being very 'Hackney centric'. The ISCC welcomed further discussion on improving the system.

The Board discussed new and existing Case Reviews and noted them for information.

It was noted that a Performance Dashboard would be provided for future Board meetings.

The Board was notified that the GCP2 Toolkit training course would be taking place in November 2022. The tool would be evaluated following the roll out.

The Board was notified that an idea for a young scrutineers programme was raised at the last Executive meeting. The Board advised that before launching a new programme, it would be prudent to utilise existing infrastructure (such as the Young Inspectors) that engages young people.

There was no other business.

The ISCC thanked colleagues for their time and closed the meeting.
